CTHP member,

On April 1, 2023, California will resume Medi-Cal Renewals, due to the end of the Covid-19 Public Health Emergency (PHE). During the PHE, Medi-Cal enrollees were not required to annually renew their eligibility for coverage.

CTHP wants to assist our patients to complete their renewal in an easy and reliable manner to prevent loss of benefits and risk of access to healthcare services due to lack of coverage. Please ensure that a current mailing address is on file with your local Social Services and Consolidated Tribal Health Project.

Prepare to update household members, income, and assets.

If updated income shows that your household no longer qualifies for full Medi-Cal benefits, CTHP can help you determine if a Covered California Health Insurance Marketplace plan is the right option. Native American members may qualify for no cost or limited cost sharing plans.

Bring your renewal documents and verifications to CTHP as soon as they are received, and our Patient Resource Advocates can submit on your behalf. If you have any questions, please contact our Patient Resource Advocates, Earlyjim James at 707-467-5604 or Ari-El Treppa at 707-467-5641.

Respectfully,

Karen Shepherd  
PRC Manager
